December 2017

Phrases extracted from the daily messages of the Chaste Heart

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
					<p>1 In this time, you must begin to be carriers of this Divine Presence within your own being.</p>	<p>2 Just as We open the doors of the Heaven and lift up the souls that cry out for liberation from the abysses, so you must also open those doors with the purity of the heart.</p>
<p>3 Never lose the joy of serving God.</p>	<p>4 You must be the soul of the Marian Centers, the life that animates and gives meaning to the existence of these points of prayer.</p>	<p>5 God has already placed His Graces within your hearts and strengthens them as long as you pray with sincerity.</p>	<p>6 If each day you abandon yourselves and your aspirations a little more in order to serve God and be an instrument of His, the Plan of the Most High may accomplish itself.</p>	<p>7 Always be united; hold in your heart these moments in which We were among humanity, and in this way, your inner fortitude will never collapse.</p>	<p>8 I call on you to be little messengers of God, those who open the doors of Heaven and free the world from the darkness that dwells in it.</p>	<p>9 Be humble and simple of heart and you will be on the correct path. Do not aspire to anything except to fulfill the Plan of God, and thus it will be.</p>
<p>10 Be sincere in your surrender and true to your path. Repent from the heart when you make a mistake, and do not return to making the same errors.</p>	<p>11 Give more importance to the things of God than to your own tasks and occupations; in this way, you will send to the Universe a signal that you are trying to love the Plan of God.</p>	<p>12 I trust in your potential to transform yourselves and everything, because you may be united in essence with Him Who created all things and Who has the power to transform it all.</p>	<p>13 Unite yourself every day with the true essence of that which you are.</p>	<p>14 Remember your affiliation with God and assume the responsibility of being part of the Project, that which has as an outcome result the King of the Universe, Christ the Redeemer.</p>	<p>15 Be a little more peaceful in your lives and choose to be in silence, rather than creating conflicts and wearing yourselves out.</p>	<p>16 Be more peaceful also with yourselves, and in this way, you will have the patience necessary to transit through the current times.</p>
<p>17 It is necessary to have a peaceful heart in order to know how to best discern the situations that present themselves in your lives.</p>	<p>18 With a peaceful heart, you will be able to find within yourselves the resources to overcome a spiritual test.</p>	<p>19 Only the peaceful heart can find the inner wellspring of the Love of God, and it is there that are fostered the true virtues.</p>	<p>20 If today you become afraid and irritated with the errors of another, and you lose your peace upon seeing the imperfections of others, you will not be ready to bear what will come.</p>	<p>21 Become peaceful! Always be peaceful!</p>	<p>22 Effort and sacrifice forge the growth of the Living Christ within each creature.</p>	<p>23 Hold in your hearts the moments in which you have been with God.</p>
<p>24 Hold as a treasure, as a source of strength, the moments in which Heaven descended to Earth to demonstrate to humankind how this world should be.</p>	<p>25 Transmit, in the times of chaos, the peace that dwells in your hearts to those of your brothers and sisters who have never felt God in their lives.</p>	<p>26 Hold as a treasure the moments in which the Holy Spirit merged with you to show you that there is a divine essence within each being.</p>	<p>27 May you be able to be an example for all of humanity, as was the Son of God.</p>	<p>28 Christ came to the world not only to be contemplated, but also to be imitated.</p>	<p>29 You are beside His Sacred Family, surrounded and guided by angels and archangels. Now, the Lord cannot do anything else except to wait for you to accept His offer.</p>	<p>30 Take the cross that will lead you to a new humanity; a cross that is not the martyrdom of the body, but the overcoming of worldly temptations, and the elevation of consciousness.</p>
<p>31 To carry the cross that leads you to the new humanity is to find joy in a humble spirit, and even though it may be a solitary walk and little understood, to continue on it.</p>
