DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF BUENOS AIRES, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

While the channels of transmutation of the Divine Hierarchy are preparing to carry out the regional task with Chile, Bolivia, Uruguay, and Argentina, some souls are placed in this service in the inner planes so that, out of love for My Heart and My Grace, Divine and universal Justice does not fall upon those nations, especially upon those nations that are today experiencing severe social and human conflicts.

But this situation goes beyond disconformity in the people that inhabit those nations. In these events, two complex realities come together, the spiritual reality and the cosmic reality of souls, the veiled history of those not yet aware that they came to the planet to be redeemed and to reconcile.

For this reason, the Spiritual Hierarchy will join this task, not only to attend to a spiritual situation, but also to try, with great risk, to resolve the cosmic situation within the consciousnesses.

Because what is occurring today in South America is not only a process of abuse of power and of inequality of rights and of assets. As never before, South America is now the scene of errors that are being repeated again, like in other times.

Thus, the Hierarchy will concentrate in Argentina, through a special epicenter that will assist in the freeing of certain thoughtforms that awaken and generate momentum towards rebellion in souls.

For the Hierarchy, it will be one of the most demanding tasks.

I thank you for accompanying Me in this stage for the mission of the Plan of Redemption!

Who blesses you,

Your Master and Lord, Christ Jesus
