DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF MONTEVIDEO, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

After quite a while, I once again draw close to the south of Uruguay, after the Uruguayan people chose the new school, that it must go through.

As from now, this country will have a chance to be able to reverse the state of consciousness in which it spiritually placed itself and will have the opportunity to close a great many uncertain doors that it opened throughout the last fourteen years.

In this way, the Uruguayan people will achieve the freedom that it so believed it had for its life decisions. For this reason, the Universe will grant the Grace that many Uruguayans can again find a path of return to the house of the Celestial Father.

In the new coming cycle, Uruguay will experience the test of disagreements and opposition, because in order to reverse the spiritual situation it has entered, only a new cycle could generate a sufficiently large enough change, for the opposite of what this country has experienced in the last years to occur.

For this, the Hierarchy will intervene in the consciousness of Uruguay so that, together with Argentina, it may maintain the possibility of resuming upon the path it once lost.

For this reason, I pray that this Grace may be established.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
