DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Argentina is a land full of tradition and culture. It is a people that come from important indigenous roots that originate, from Tierra del Fuego to La Quiaca, to innumerable ways of relating to and communicating with God.

Thus, Argentina is one of the peoples that maintains its culture, beyond time and tendencies. In the hearts of Argentines is the memory of the Confraternity and of the Brotherhood.

Because of being a nation with a first ray temperament, Argentina has had to learn to moderate its reactions through love so that in its consciousness and in its culture may be maintained the striving effort through daily work and a particular devotion born of that strength and love that the nation holds for the Divinity.

Over time, the traditions of Argentina deviated. One of the reasons why your Lord will return to Argentina will be to reintegrate, in the consciousness of that people, the values that made it a nation strengthened in their work and devoted in their way of uniting with God.

Through the meetings that will happen in the month of August, each one of the Argentines will be presented with the opportunity of being in God and, beyond everything, of celebrating with a special victory, the return of Divine Love to their consciousnesses.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
