WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED AT LAKE SHASTINA, MOUNT SHASTA, UNITED STATES, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the name of the Father, the Son and the Holy Spirit. Amen.

I come with the announcement of a night illuminated by the stars, but also by the Sun. I come as the Universal Aurora to fulfill what I have promised to My children of the Earth: to awaken the Creatures of God in the end time.

All possible signs are being delivered. The Spiritual Hierarchy works in this, this means a planetary, but also a cosmic movement.

The very elements of the universe, the strength and the union of the planets and the stars, foretell the time of the coming of My Son. Just as it has been said to all, there will be signs in Heaven, there will be signs on the Moon, there will be signs on the Sun, there will be signs within you.

And it is time for this to be fulfilled, dear children, because the Heavenly Father allowed it in view of the sensitive and grave planetary moment. The Heavenly Father wants to save His favorite Project, humanity.

Therefore, the wise and gifted Hierarchies work tirelessly to accomplish this end and this purpose. That is why today I present Myself to the world as the Universal Aurora, as the Sacred Feminine Energy that leads Her children to God, guarding them all in Her Immaculate Heart so that souls may stop suffering and enduring.

Beloved children, in spite of the signs of the universe, at the end of these times, which foretell the arrival and Return of Christ, I know that for many of My children it is still difficult to understand and accept that painful and even inexplicable experiences are lived, that souls live these experiences, many of them being prayerful and servants.

Could it be that this represents for you a punishment from God?

In Garabandal, I announced to you something similar; but I never told you that God would punish you, because God is not a judge, but a Father of eternal and infinite Mercy.

I announced to you in Garabandal that the time was ending for humankind, just as I announced in Fatima, Portugal, that humankind on the surface of the Earth had strayed from love and peace.

That is why, My children, within all groups of souls, at the end of these times, and in an unknown and, I would say, inexplicable way, there are souls who have offered to suffer for many more souls. And this does not mean a punishment, but a silent and anonymous service, just as My Beloved Son did for you until He died on the Cross.

This is something inexplicable for the souls of this time. For this reason, for some souls it could become painful. But understand, dear children, that My Beloved Son has very few and true apostles.

This is a reality and I do not want to bother you, My children. Just as Christ carried out His important task on Earth with so few apostles, in this time, in a similar way, My Son carries out His task with few apostles.

But this does not mean that there may not be other apostles in the world; it means, My children, that the apostles must be determined and devoted to Christ, so that He may carry out His spiritual task and especially His mission of return to Earth, through hearts that are depositories of His redeeming and consoling Love.

Today, My beloved children, you dedicated your prayers for peace in the nations. Again and again I will tell you, and I will not tire of telling you, that the prayer for the nations of the world and for their angels, for the angel of each nation of this world, at this time is fundamental and I would say essential that many hearts and many souls, like yours, join in this purpose.

Because from the first day that I asked you to found the Prayer for Peace in the Nations and to learn to pray in different languages the loving declaration of the Archangel Gabriel to My Immaculate Heart, the main cause of this spiritual and internal task is to appease the anger of the elements of nature, the lack of control of the planet, the balance of the axis of the Earth and mainly the end of wars; so that the time of peace, love and unity among the creatures of the same project and of the same purpose may be established.

Therefore, remember this cause of the Vigil of Prayer for Peace in the Nations, because not only you or your families will be protected by praying the Holy Rosary for this cause of the Blessed Mother, but you will also help with your prayers and supplications so that the world will no longer be agitated, so that wars will no longer be aggravated, that conflicts no longer take place, that peace may be established, that faith may not disappear, that love may not dissolve, that unity may allow the descent of Grace into souls and hearts and, above all, that the soul and consciousness of this planet may be maintained in its balance.

Now, do you understand, My dear children, in how many causes the Mother of God works?

That is why I return here, again and again, to meet My beloved and dear children who have already left the school of little children, to enter the school of adulthood and spiritual maturity, a place and space where all the Hierarchies need to have you at this time, in this definitive cycle.

Therefore, I encourage and urge you, My children, as I asked you in the last Message, to decide to grow internally, so that the pillars of the Work of the Hierarchy on the planet are not only strengthened in the hearts and souls who serve God, but also that these pillars of the Work of the Hierarchy become a reality on this wounded and outraged surface so that everything, absolutely everything, can be healed and regenerated.

Now, do you understand why I come today as the Universal Aurora?

Through the signs of the night, through the signs of the day, through the signs in every heart; I come to remind you, My children, that humanity is in urgent need of healing and peace, and this healing and peace will be completed at the Return of Christ to Earth.

Today, I open for all the Temple of My Mirror Heart, just as this lake opens spiritually as a mirror in donation to capture in the impulses of the Heavenly Mother and to radiate them to the whole world.

Through this simple but beautiful place, I want, My children, that your souls see themselves reflected in this mirror, so that you can rediscover in yourselves your origins and can start from scratch from there, reviving the Values and the Principles of God that the world needs so much in order to experience healing and redemption.

May the Spiritual Light that descends to the world through Mount Shasta, relieve the suffering souls who live the climatic catastrophes, raise again the hearts that have lost faith because of suffering and unify the essences with Our Father-Mother Creator.

How simple but profound is the beauty of God's Creation! He has given us everything, absolutely everything, so that we would be happy from the beginning of this Project.

In order for you to reach that spiritual happiness and that heavenly joy, beloved children, be obedient for those who are not obedient. Thus the world, under the protection of the Law of Love, will find peace.

I thank you for responding to My call.

May you all be in My Motherly and Immaculate Heart.

I give you the blessing of My Son and of the Almighty, in the name of the Father, the Son and the Holy Spirit. Amen.
