**Message for the Apparition of Mary, Rose of Peace, transmitted in the Marian Center of Aurora, Paysandú, Uruguay, to the visionary Friar Elías del Sagrado Corazón de Jesús**

### **Your Queen, Mother and Advocate**

In the high Celestial Spheres, very close to the Fount of the Celestial Father, a state of Divine Consciousness exists, where Your Queen, Mother and Advocate, intercedes for causes that are impossible.

At this state of consciousness, which is a Spiritual and Divine Plane, where different Angelic Hierarchies are to be found, who accompany their Heavenly Mother in the spiritual process of intercession, the Guardian Angels of all souls in the world arrive also. They can present to the Eternal Father the merits attained by the good souls by means of service, the giving of self, prayer, the transformation and redemption of consciousness. But they can also silently present all that has not been attained by the souls that are lost and have not yet awakened to the powerful Light of God.

Before this scenario, your Queen, Mother and Advocate, appeals to the Eternal Father for a undeserved Grace, for a situation or a cause that is out of the Law. In this moment, the Celestial Father grants to your Queen, Mother and Advocate, to expose the reasons for Her requests and intention. So then the Celestial Universe receives from the Divine Mother the intention that was manifested, and proceeds to deliver a undeserved state of Grace, through the action of Divine Mercy.

In this hour, the angels receive the order of the One to liberate a consciousness or situation from the inferior state of consciousness and, in this way, through the merits attained by the Sacred Heart of Jesus and the Immaculate Heart of Mary, the soul or situation receives the help it urgently needs.

This powerful and unknown state of Divine Grace remains latent in the center of the light of the essence, of the soul that was crying out for help, and thus the action of the Law of Mercy, Forgiveness and Redemption is established.

This state of Grace will remain in the consciousness for the time that it values this state and recognizes it within itself, through a correct, transparent, pure and simple life, according to what is taught in the Gospel of Christ.

Meanwhile, in the Celestial Universe, the Most Holy Mother gathers all the prayers, offerings and intentions, that are elevated by the angels themselves to Heaven. And gathering all petitions, the same Holy Virgin places them, in an action of pure humility, at the Feet of the Creator.

At this moment, the Holy Spirit, the Third Person of the Most Holy Trinity, intercedes, so that the soul, for which the intervention occurs, or the cause for which the appeal is made, may receive the spiritual anointment of the Third and Divine Person.

Thus, in this blessing that is granted, the soul or situation for which the intervention is made

receives the impulse for renewal and forgiveness; and the Sacrament of Reconciliation takes place between the soul and the Divine Universe.

Your Queen, Mother and Advocate, upon seeing that the alliance with the Eternal Father is re-established, proceeds to attend other necessities and urgencies, seeking that, beyond everything, Her children of the Earth may recover and live in the Love of God.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
