DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

My arms of Compassion are opened to receive in My Kingdom all of the disciples, those who in this time must follow My Steps, a path that I will indicate to them for them to reach eternal life.

In this era of definitions I call you to concentrate your lives in My Supreme Light. In this way nothing will torment you or disturb you and you will be prepared to face with Me the final times.

Day by day I leave in your essences the Source of My Divine Mercy so that you may be able to recognize that My Love for you is unreplaceable and it will last for all eternity. Now that you have already taken with your hands the flag of peace, follow Me in trust and open the doors to Me so that My Consciousness may be able to reach quickly to the flocks that most need to find My Peace and the Truth of My Father.

I invite you to be transmitters of My Redeeming and Christic Codes through the devotion that you have proclaimed to My Sacred and Kind Heart. In this cycle I need for My Apostles to be very attentive and awake so that My Voice may be listened in all place and within all.

I invite you again to reconciliation and peace. Do not lose sight of these two sacred attributes. The Lord radiates them to you through His Son so that the world may someday achieve redemption.

Under the Mercy of God, be blessed.

Thank you for guarding My Teachings in the heart!

Christ Jesus, the Shepherd of Souls
