WEEKLY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Through the invocation of Divine Mercy, the consciousness manages to reach a state that will place it within the Purpose and, in turn, the consciousness has the possibility of responding to the Designs of God.

To invoke Mercy is more than receiving a spiritual Grace. It is to participate in the Higher Commands, to thus be in brotherhood with the Heavens, with life, with the important moment of redemption and of compassion.

To belong to Mercy is to be able to help change humanity with the impulse of Mercy, changing the habits of life and entering into contact with God, to drink from the Fount of His inexhaustible Love.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
