DAILY MESSAGE OF GLORIFIED CHRIST JESUS, TRANSMITTED IN THE TOWN OF LOS COCOS, CÓRDOBA, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

All the relief you can generate for your neighbor, as well as for your brothers and sisters on the path, it is to Me that you give it.

All the love that you can express and share, even in the smallest details, it is to Me that you give it to.

All the understanding and consideration that you can live with your fellow being, it is to Me that you give it to.

All the compassion that you can express to those who are not understood or accepted because of their daily problems, it is to Me that you give it.

Because everything comes from love.

It is the Love of God that grants humanity understanding, it is the Infinite Love that allows unity among brothers and sisters from so many different paths.

Everything you do for your brothers and sisters you will be doing it for Me twice and, thus, I will be grateful knowing that at least someone has learned the inner lesson that I once preached.

If, in this time of great definitions and trials, as well as of great events and challenges, there were no love among beings, there would be no possibility of gestating the New Humanity.

When two or more come to live the Love in My name and without prejudice, My Prophecy will be fulfilled and the New Christs of the last days will arise.

Nothing can be healed except with love, because love welcomes the pilgrim, love understands and accepts the brother and sister.

True love is not judgment, but Mercy.

Love shares everything it has and everything it possesses, and does not keep anything for itself.

Love grants spontaneous Graces and miraculous healings in the life of the spirit.

When you cannot find an exit, ask yourself, Am I loving with fervor or with self-love? Open yourself then to the infinite mystery of the Love of Christ kept in each Sacrament, as well as in the temple of the soul that opens its heart to receive the Love of the Master.

May love show you, everyday, that you can do greater things than those I did so long ago.

True love only desires good.

I thank you for keeping my words in your heart.

Who blesses you,

Your Master, Christ Jesus
