DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

You will achieve Christic fraternity by illuminating each space of your consciousness through the surrender and the service you are able to give Me, time after time.

Therefore, step by step, illuminate yourself, going through and overcoming the obstacles of consciousness, not through a battle, but rather through the love you are able to profess and live in your heart. Because without love, it is like being without a direction or guide.

Let love impel you and be able to carry out the Works of your Redeemer. In this way, you will illuminate your consciousness and you will be able to take on the different stages of the Plan, according to His Will and the needs that are presented.

Let the illumination of your consciousness emerge through your unconditional, permanent and good love. In this way, when faced with your own obstacles, you will not find barriers, but rather opportunities to mature your consciousness in the sacred commitment of serving God and His Plan.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
