DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The enemy of love: the Apostasy

My dear children,

While today My Divine Consciousness approaches the planet and humanity in a special way, My Voice directs itself to each one of you so that you may continue assuming the prayers for the nations with the seriousness and responsibility that they have, because, for these last times, the great enemy of love will be the apostasy.

This state of consciousness, contrary to the awakening and to evolution, is beginning to gain place and space in the hearts of the people through My adversary.

To become apostate means, for the spirit, to consciously dissociate itself from the Love of God and give permission so that the consciousness begins to be ruled by suffering, something that will lead it, gravely, not to have a spiritual opportunity to receive some grace.

This is the urgent reason why the Divine Messengers will go to the encounter of this and other spiritual situations that, in this case, is compromising Argentina.

If the Southern Cone assumes, in a conscious way, lifestyles which are against the Law of Creation, incredible experiences will develop overnight in this region of the planet, and South America will cease to be the promised New Earth and become converted into the Earth condemned, by itself and by humanity.

This will lead to the minority of humanity, less than five percent, being participants of the new race.

Do you understand, children, what this means?

Therefore, on this day I come to ask My children of Argentina, and of the whole world, to unite efforts and hearts so that, from the coming month of September until the days of the first meetings, the propagation of the next prayer meetings in Argentina may be massive, in order to reach as many essences as possible.

I wish and aspire to be able to deliver My Graces to many more hearts, this will strengthen the consciousness of Argentina, in order to prevent it from becoming a scenario of horrors at the end of these times.

For this important mission of propagation you must count on the great help from the angels of

Heaven.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
