DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My companions,

At the end of this time, in which the planetary situation demands great assistance, the Spiritual Hierarchy doubles its efforts to be able to aid and help in all inner and outer needs.

In this sense, the Hierarchy tries to contain and support the most urgent situations of humanity, especially those that involve more work and effort.

To be able to sustain points of conflict or social disorder, such as humanitarian crises, the Hierarchy makes use of those consciousnesses that, participating in a true act of the giving of self, will be able to counteract the imbalance and the inequality.

So the spiritual and human support necessary for these social missions have a limit to their support and perseverance.

In this, I want to indicate the example of the current humanitarian missions, which are in a permanent activity of service in order to solve a situation, which would correspond to everyone as humanity.

But in certain moments there must be a pause, in order to be able to recalibrate and reflect upon the next steps, because there is a hidden and silent task that occurs in the missions, a task that neutralizes many faults committed and dissolves much suffering.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
