MESSAGE FOR THE VIGIL OF PRAYER, RECEIVED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TRANSMITTED BY THE QUEEN OF HEAVEN, THE VIRGIN MARY, TO THE VISIONARY SISTER LUCÍA

Today I cast the stars of My Crown upon the Earth, so that the celestial brightness that covers the Queen of the World may awaken those who are still asleep and those who remain in the darkness of the consciousness, in ignorance.

My children, when My stars cross the threshold that exists between Heaven and Earth, a new dawn breaks in the lives of all beings. Each of My stars symbolizes the living attributes of My Heart and the Heart of My Son Jesus.

I bring upon My head a crown of 12 stars so that each time My feet touch the Earth, the hearts of the world may receive this luminous sign that descends from Heaven, this symbol of redemption that brings with it the Gifts of the Holy Spirit of God.

A great mystery is kept within My Crown of stars. Each of the new apostles of Christ will have within My Crown of stars the inspiration and instruction for their apostolate.

Contemplate with your heart the brilliance of My stars and allow this mystery of the Woman clothed with the Sun to enter into your consciousnesses.

My beloved ones, through these stars, God pours out the awakening of His Holy Spirit into creatures, pours out upon the world the hidden teachings that live in the Kingdom of Heaven.

The stars that form My Crown are the keys to the awakening of your spirits, they are the keys to open the doors of the heart and to open the doors of Heaven.

Those of My children who seek the Creator, carrying in their heart one of My stars, will be recognized as children of God and His faithful Servant. The one who permanently assumes this celestial star on their chest will be recognized as a beloved child of the Woman clothed with the Sun.

If you receive this symbol of love within your hearts, you will be protected from all evil, and if you sincerely trust in this mystery that I deposit into your hearts, the dragons that roam the world will not find you.

Perceive, My children, the stars that descend from Heaven to Earth, stars that come from My blessed Crown and are here to seal the commitment of My children with My Immaculate Heart.

Be as the child from the prophecy of John, the Apostle, be in My arms, protected by the Sun and by the stars of My Crown; in this way, no evil will approach your hearts.

The Heavens count on the faith in the hearts of humans, they count on the response that each one

can give to the Lord when they listen to My Words. Be faithful to the voice of your own heart when My Voice, full of the Holy Spirit, echoes within you. Be simple and humble to understand, always through the heart, the Words that I pronounce.

The most hidden mysteries that live within My Kingdom are unveiled through the purity of the heart and not from the cunning of the mind.

My beloveds, it is already time to unveil some mysteries to your beings. Those who open their hearts to listen to them will receive from the Spirit of God the necessary discernment and comprehension to understand and live the Will of God contained within these mysteries.

Those who try to hear My Words and find their veracity through the mind will suffer the darkness of ignorance and will not allow the Spirit of God to echo within their hearts, to search the depths of their spirits and tear the veils of their consciousnesses.

Receive My call today with love. Receive within your hearts the mystery enclosed within My Crown of stars, seek and ask the Lord that these stars may be present within your hearts, because if one of My stars finds space in the hearts of humans, the Holy Spirit can descend upon the Earth and ignite the human heart with Divine Fire.

I thank you, My beloved and little children, for allowing yourselves to be guided by My Immaculate Heart.

Mary, Mother of the World and Queen of Peace
