DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE JOURNEY FROM SANTA MARIA, RIO GRANDE DO SUL, TO THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My Children,

On the eve of the next meetings with My Son, your Heavenly Mother prepares for His arrival at the Marian Center of Aurora so that, in this month of August, we may remember all the divine impulses that, through the humble Aurora, were granted to humanity.

I would like every prayer being to know the importance of staying united with what is High during these days so that the spiritual impulses that the sacred Universe will give you may be recognized within each being, and thus the fulfillment of the divine stages of the Plan may continue on.

Aurora, with the silent strength of its power, will embrace with its fire all who come, and as part of the spiritual mission of Aurora, it will give the last impulses that will define consciousnesses so that they be able to follow the path of Grace or the path of Justice.

The attention and care of every child of Mine who comes to Aurora will show the Sacred Kingdom of Love the possibility for its universal and cosmic intervention, as from the coming 8th of August, in which an important cycle will be defined forever.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
