DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In these difficult times, the fear of failure is a thought inserted in the mind of my children, as well as the idea of not fulfilling the Purpose of Christ and His path.

This all creates a mental confusion able to disturb and to distract the fragile consciousness from its purpose.

This happens due to the spiritual separation or the resistance that the consciousness might be going through, by weakening its faith and affirming its ideals based on hollow concepts.

The total and absolute surrender on behalf of the consciousness, of all that it believed throughout the years and of what it always nurtured, generates a culminating moment that will define if it is with the Plan of God or if it is indifferent after all the Graces received.

This culminating moment of definition will clearly confirm if Christ was able to enter into the human heart and if the souls on some level were able to renounce and to surrender to God.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
