DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Pray, because while you pray from the heart, in the Celestial Universes, the laws move, transform and transmute events that precipitate upon the Earth.

Pray, because while you pray, within the subtle worlds the angels and archangels course the Earth, dissolving the evil that imprisons souls and freeing them from the condemnation in which they placed themselves through their actions and through their ignorance.

Pray, because while you pray the Mirrors of Light ignite in the Cosmos as well as in the oceans and the depths of the Earth, responding to your pleas, responding to the light that ignites within you, when you are sincere in your prayers.

Pray, because while you pray, within the invisible worlds the blessed ones and the beings of light that serve the Earth work tirelessly with the merits that are generated in your prayers, and do not lose a single instant of a sincere prayer, to present to God the merits that transform life on Earth and grant humanity a new opportunity of living Love.

Pray, because while you pray, great things unknown to your being happen in Heaven as on Earth.

You, child, do not know the potential of your heart, but God does. Therefore, before everything that happens in the world, your Father and Lord sends His Messengers only to say to you: pray, because this is your part in the end of these times. Pray fervently and sincerely; pray, opening the doors of Heaven, crying out for peace, for forgiveness and for Mercy. Pray for a new life. Pray for the New Humanity. Pray for the return of Christ, so that hearts may be ready to meet the Lord, face to face.

Only pray, child, and speak with God through your heart.

You have My blessing for that.

Your Father and Friend,

The Most Chaste Saint Joseph
