DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

God came down from Heaven and became a man among humankind to be crucified, humiliated and abused by those who received His miracles and blessings.

God poured out every drop of His Blood, through His Son, and that very Blood redeemed and is redeeming, up until today, all those who invoke It so as to be purified.

God poured out His Water, through His Son, so that humanity could be newly blessed by the Consoling Holy Spirit, and then His Spirit descended at Pentecost.

Only so great, patient, humble and merciful a Love could have done what was done and, in this time, it is done again, because God loves His children through Christ.

Thus, in these days, the Crucified One again endures and suffers, this time through the sacrifice of His Spirit for humanity, so that souls may again find the path of return to the Celestial Father.

And by means of this path that Christ offers, by means of the Sacraments, let hearts reconsider and see that without fraternity or solidarity it will be impossible to continue onward with this beloved Project of Creation that is the human race.

The awareness and the faith of those who believe in Christ will allow them to live this change, and the doors of Grace will be held open so that what is written and foreseen can occur.

Thus, children, let the Passion of Christ make you understand the passion that the planet is living today and, in this way, the majority may manage to bring about the relief that the whole planet cries out for.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
