Daily Message of Mary, Rose of Peace, transmitted in the city of Buenos Aires, Argentina, to the visionary Friar Elías del Sagrado Corazón de Jesús

Even though My Presence as the Patroness of Argentina is rejected, My Love remains in simple hearts. It will be there where the New Humanity will be erected, where the Plan of God will be accomplished.

For this reason, children, your Mother returns to Argentina for the hearts that do accept Her, for the souls that do live Her, for the lives that do welcome Her as the Mother of humanity.

I return to a country divided by deceit and corruption.

Among the abysses is the Mother of Heaven, the Lady of the Rosary of San Nicolás, to help Her children, those who still support the Purpose of God for this country.

Even though religion may be the justification for not wanting to live Her and decide on the new changes, and although it may be the cause of eradicating all forms of spirituality in the country, your Heavenly Mother will go to meet the hearts that do maintain their faith in the divine and know that without that faith, nothing would be possible.

Thus, your Heavenly Mother comes to gather the last soldiers of prayer from Argentina, who will battle with their rosary to protect the purpose of a new and correct humanity.

The scenario of the end of times will show ever more situations without common sense and discernment. For this reason, daily prayer will be the torch of all Argentines, My beloved children.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
