**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dearest children and souls of prayer,

With joy I receive all of your hearts in the Kingdom of My Father, and today I invite you to emanate peace and love from the depths of your little hearts.

Dear children, we are now in a celestial mission of peace and conversion for each one of your lives and for all of the lives that are in the world. For this reason, little children, I invite you to constantly live prayer so that in all the beads of contemplation done by all with the heart, you may be able to touch the Heavens, and the Lord may be able to respond through His Graces.

I am the intercessor of all souls. I am the one who will take you towards My Glorified Son. For this, dear children, after these months that have passed and in which we have been united from Heart to heart, I announce to you, as a Special Grace, that My celestial voice will continue for some time more accompanying all of your hearts through My Love and through My Words in the Daily Messages, with the aim that My Immaculate Heart may reach all. I ask you, dear children, to propagate My call for peace and for the time of conversion and that you invite hearts to reencounter the exercise of prayer as something primordial in these times.

Now the Lord has asked Me that, through the Holy Spirit, My Immaculate Heart may reach families, so that the families of the world may recuperate the symbol of the Sacred Family of Nazareth. And this will happen when all of the hearts of the families begin the precious path of prayer. Thus they will also be consecrated to My Immaculate Heart.

Dear children, I thank with Divine Love all of your little hearts for responding to My call. You must know that it is God that now calls the world to reconciliation and to forgiveness so that Mercy may emerge as a source of conversion for all of the hearts.

Thank you for responding to My call.

Mercy for all of My children.

Mary, Mother of the Divine Conception of the Trinity
