Weekly message of Mary, Queen of the Holy Spirit, transmitted in the Marian Center of Aurora, Paysandú, Uruguay to the visionary Sister Lucía

My children,

When My Heart approaches the Earth, it brings inside of it the Spirit of God, the Holy Spirit, because today I tell you that the Server of God is One with His Spirit.

The Holy Spirit lives and reigns in My Heart and I am within It eternally. This way, each time you invoke My Immaculate and Most Holy Heart know that you are invoking the Spirit of God, sanctified by His eternal Glory in Heaven and on Earth.

The Holy Spirit became One with Me when the Son of God lived in My womb. I was conceived by the Spirit of God and It was made flesh in My Son through My womb.

My Spirit was born in the very pure Consciousness of God with the mission of being eternally Holy and Immaculate. My Spirit was generated by the Heart of God, because from His Heart would be born in the Heart of the Son of Man, the firstborn Son of God.

It is time for all to glorify this mystery, because I have told you so often that the Holy Spirit would reach your lives and, when I said it, My Spirit was already before your hearts.

The Holy Spirit is omnipresent and wants to make a home in all the hearts of the world. This Holy Spirit was created to manifest the Love of God in all things, and, above all in all of His creatures It would sanctify matter and allow God to be reborn in the human being and the human being in God.

As it manifested in Me, the Holy Spirit should be manifested in all the children of God. Those who are loyal to God, as I was, will open the doors of the heart and the consciousness so that the Holy Spirit may be anchored.

It will not be gestated in the womb of a human being anymore, but in their hearts. It will not be born in the new being, but it will allow the old being to be reborn.

Open your hearts to this most sacred mystery, renew yourselves in the unknown, because this Blessed Tree will grow in those who open themselves today for these seeds that are being handed to them.

I am the Holy Spirit, and It is within Me.

The Fire of transformation for the souls, the Spirit of God flies over the world, as an Immaculate and Luminous Bird, crowned with stars and clothed with the Sun, to perpetuate Its shelter within the hearts that know how to say "yes".

I bless you and keep you in the Heart of God.

I thank you for opening the doors of the heart to Me.

Mary, Mother of the Divine Conception of the Trinity
