DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF MONTEVIDEO, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear Children,

The world has delivered all of its senses, mainly the inner senses, to the destructive hands of My adversary. It is because of this that throughout the times I have been announcing the importance of the prayer of the heart and of the constant search for peace so that at least the most lost essences may find the path towards the Heart of the Celestial Father.

My Son sends Me in Glory, to spiritually demonstrate that the Universe is the true source of union with the Will of God. As the Mother and Advocate of Peace, I come to try to remove the blindfolds from the eyes of My children, those which have led them to the darkening of the heart and the spiritual death of the soul.

Dear children, I bring you My Grace so that, by opening My arms to the world, souls may be protected in the Sacred Temple of My Heart. But most souls are strongly handcuffed to the illusions of a material fulfillment that is capable of breaking the union between the families and God.

As a Conciliator of the poor of spirit, I bring the Kingdom of Jesus Christ to the world for the last time, because there are still many souls that will have to awaken their inner senses, those which are asleep by the plan of the enemy.

Meanwhile, My children in Christ, pray for your brothers and sisters who are hypnotized by the ideas of the world. I receive in My Maternal Heart the true consolation of being able to continue coming to work as the Co-redeemer of humanity.

Pray, pray for those who day by day lose their inner senses and thus forget about God and His invincible Kingdom of Love.

Children, let us pray together, let us pray in the name of peace and sacred silence.

I thank you for responding to My call!

Who heals you in the most pure source of the Heart of Christ,

Your Mother Mary, Rose of Peace
