**DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

It gladdens me to know and feel that there are still souls that are confirming in My path of redemption and, even if they go through challenges, they still feel this profound union with the life of the spirit.

It gladdens me to know that there are souls that are confirming to Me, every day, and work tirelessly to demonstrate their true love for the Consciousness of the Son of God.

It is time to gather up all of this self-giving and spontaneous strength that will make the planet become worthy of Grace and move away from the Law of Justice, which will correct the mistakes made throughout time.

It is time to appreciate everything that the Universe is presenting to your inner evolution and its great process of redemption.

Be encouraged to go through this challenge within yourselves because I will always show you the sign so that you may find it and experience peace within it.

I thank you for keeping My Words in the Heart!

Who blesses you,

Your Master, Christ Jesus
