DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?

When your lives form another life, dear children, as the song "Hail Mary" says, it is true that your consciousnesses are led by My divine Light to break off from the past, from the mistake and from sin. Therefore My maternal task with you is to form, from your present lives, future lives in redemption and peace.

My children, you will come to know the so-called human condition that in reality is what has led the souls to enter in the path of perdition and to move away from the Love of God, when they lose sight of the Divine Will.

In this time of purification for everyone, you will see things of yourselves that you did not know before or did not want to see, what I call human attitudes that in certain cases or in certain souls make their process of evolution and of a major awakening go back.

To live for God does not only mean to be in Him and to remember Him all the time, but it demands in this moment a true inner definition of what path to choose. Therefore My Immaculate Heart offers Itself as a mediator and intercessor between your souls and God for My maternal Love to act and open doors towards new and renewed opportunities.

Everything is granted, dear children, by the perpetual state of My Grace towards humanity.

I thank you for responding to My call!

Who always guides you,

Your Mother Mary, Rose of Peace
