DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN EINSIEDELN, SCHWYZ, SWITZERLAND, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Through the Mercy of My Heart, I come to give the world the atonement it needs in order to reflect in humanity its dignity before God.

In these times, Mercy, which is now beginning to close, grants necessary and inner Graces to those who invoke it from the heart, and thus not only will lives be transformed, but also hearts that previously did not even want to know about God, they will be redeemed .

It is thus that the Divine and infinite Mercy comes to remove souls from the illusion of these times, opening their eyes to the reality and need of this moment.

Therefore, those who invoke the Mercy of God, not only work for it, but they also do so for the world and its humanity.

It is simple, souls that take the inner step towards My intimate and unfathomable Mercy may enter into the mystery of My Heart, capable of reversing all evils and dissipating all inner causes.

May those who have not done so yet, drink from the spiritual Source of Mercy so that humanity may reach peace and the definitive redemption of its planetary consciousness.

I thank you for keeping My Words in the heart!

Who blesses you,

Your Master, Christ Jesus
