DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN FATIMA, PORTUGAL TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

All that you receive in this time has an incalculable value for the life of souls. For this reason, it will be necessary to appreciate it, so that all which is received has a profound effect on the inner consciousness of humanity.

Thus, My children, each Grace received represents an opportunity for loving the Plan of God more and of understanding It within the self a little more each day.

Everything received from the Universe of God can have a broader effect in the consciousness, from the moment in which the consciousness accepts it with maturity, discernment and love.

Each Grace received is infinite, is capable of working beyond the consciousness, and of being able to embrace more regions of the planet, which also have need of this Grace and this spiritual help.

In that sense, everything received is part of a purpose designed and thought of by God, in order to spiritually benefit souls; so that each day, you take more steps toward the spiritual consecration of your consciousnesses and lives to the Plan of the Creator.

Everything received attempts to transform the destiny of the lives of souls, in order that hearts may find the most direct path toward the Kingdom of God.

The Lord grants all Graces, even though humanity does not deserve them, because the purpose is that the whole race may live the love and true joy of being in God.

I thank you for responding to My call!

Who blesses you always,

Your Mother, the Virgin Mary, Rose of Peace
