DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SÃO PAULO, BRAZIL TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

To the Youth of Peace

Dear children,

With joy and gratitude, we offer the youth meeting of today to the Universe, so that new seeds of Light may be sown in all beings that must awaken to a new state of consciousness, as a form of inner preparation for the times that will come.

Each activity that was offered today with enthusiasm has contributed to the spiritual manifestation of this state of consciousness that the present-day humanity needs to acquire for the current times.

For this seventh Youth Festival, the city of Buenos Aires was chosen as the host of the ecumenical youth meeting; the preparation for it, with effort, love, service and dedication, has demonstrated to all youth that it is possible to carry out the Work of the Hierarchy and make it part of their lives in this cycle.

The seventh Youth Festival represents a cycle of maturity, of learning and of experiences for the pioneering youth that gave the first impulses for the materialization of the Youth Campaign for Peace.

In this sense, the number seven means that all youth have passed by seven cycles and seven schools of learning, which helped strengthen the commitment of love for the Hierarchy and for humanity.

Today, an internal and spiritual synthesis has happened in the inner world of each youth collaborating with this Work of love, which goes beyond the meetings of peace, integration, service, prayer and humanitarian missions.

From this seventh Youth Festival for Peace, which has preciousy taken place in the city of Buenos Aires, an integration has been established among the youth of different nations, who, together with the Hierarchy, and from this new cycle onwards, will be encouraged to spiritually rebuild the consciousness of the planetary youth by living the new patterns of conduct, co-existence, fraternity and service for humanity and for the Kingdoms of Nature.

The Youth Festivals for Peace represented for the Celestial Hierarchy an opportunity of healing, of renewal and of service for a planet that suffers and agonizes day by day.

From the Spiritual Universe, new virtues and new talents will be placed in the heart of each youth, in order to keep constructing this network of love and service so as to relieve the human and internal pain.

We encourage you all to continue working, to live each learning and each experience as an opportunity to grow internally, knowing that such old spirits, as those of the youth, must resume

their places within this Plan of Love for humanity.

My dear children and youth, let us celebrate this day as part of a celestial victory in humanity.

I thank you for responding to My call!

Your Mother Mary, Rose of Peace
