### Daily Message of Mary, Rose of Peace and Mother of the refugees, transmitted in the Marian Center of Aurora, Paysandu, Uruguay, to the visionary Friar Elías del Sagrado Corazón

Dear children of Mine:

At the apex of the war of these times, the triumph of My Immaculate Heart will occur through those who in absolute trust, walk by My side to concretize the Plans of Peace.

On this path, dear children, by means of humanitarian service in each region of this world, you will see how human cruelty shows itself to be, an action that has led many souls to damnation.

In order to recover the lost souls and the dignity of each one of them, My children, it is necessary that the evils that oppress a great part of humanity be transmuted through the powerful fire of prayer.

The task of transmutation is centered on the Prayer Centers for Peace that I have founded in this part of the world. It is for this reason, dear children, in light of the planetary spiritual demand for transmutation, it is necessary for the Marian Centers to be alive, to have life, liturgy, processions, and prayer that are ever more elevated and offered to the Redemptive Project of My beloved Son.

My children, if you are aware of the importance of the life of a Marian Center, all the doors of Heaven will be open so that the planetary transmutation can take place. Fátima, Lourdes, Guadalupe, Medjugorje, La Salette, and the current Marian Centers in South America have become powerful stations of liberation and of redemption from the forces of planetary chaos, especially of the armies of the adversary that work through the wars.

The task of maintaining the life of the Marian Centers, persisting until the end so that all may have a planet on which to live, is a spiritual and operative task of all the members of the Light-Network and of the groups of prayer of the world.

The Celestial Hierarchy counts on the Centers of Prayer so that all that is released through the humanitarian missions will be able to find a place of evacuation in other universes.

I leave you, children, with the intimate commitment of being guardians of the work of the Celestial Hierarchy through the Marian Centers.

I thank you for responding to My call!

Who awakens you always to a greater task,

Your Mother Mary, Rose of Peace and Mother of the refugees
