Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Aurora, Paysandú, Uruguay, to the visionary Friar Elías del Sagrado Corazón

Dear children,

I am your Mother, Who heals you and redeems you in the Love of God so that, being free of the past and the chain of all the errors committed, you may feel more free than all the birds in the sky.

It is in this way, dear children, that I try to lead you every day on the path of the rehabilitation of your consciousnesses through the sacred path of prayer.

The soul that perseveres and works to build that prayerful path will draw to themselves the Gifts and the Graces of Heaven, generating a luminous field of peace around themselves through so much prayer.

At this stage, My wish is that each of My children assumes this task as the most important in this planetary time, which has need of much prayer on the part of humanity itself.

Thus, My children, I help you to detach from the errors of the past and to heal you within, so that finally, the New Christs present themselves for the mission of the end of times, where My praying soldiers must be those mirrors of prayer that attract Celestial Peace to the world.

In this way, My beloveds, I teach you to work in simplicity through the opportunity to learn to conquer the universe of the Love of God through service to the planet.

I thank you for responding to My call!

Who motivates you always to service,

Your Mother Mary, Rose of Peace
