MESSAGE FOR THE APPARITION OF THE BLESSED MOTHER OF JESUS, TRANSMITTED IN FORTIN DE SANTA ROSA, CANOLENES, URUGUAY TO THE VISIONARY SISTER LUCÍA

My dears,

Today I want to confirm to your hearts that My Mantle must be a single mantle of light that covers all of humanity. I want each corner of this Mantle to be sustained by the hands of My children, those who have given themselves to My Heart, independent of religion, belief, or race.

My Heart contemplates hearts, souls, and spirits, and there, where My gaze can reach, there is no difference between My children.

My dears, My Word arrives in this time in many places of the world and, in all of them, My Message is the same, a message of peace, of union between peoples and nations, races and religions.

Humanity itself created its own separation, so that each one, in their own way, could find God, and now My Heart comes to unite all of My children under My Mantle of Light.

As the Mother of all humanity, I come to ask you to pray for one another, so that all of My children may know My Heart and thus reach the Kingdom of Heaven.

Let there be no competition, envy, nor any distinction between My little ones, because today I tell you that all the creatures that your eyes can see and your hearts can feel must equally enter the Kingdom of Heaven.

All of My children must walk together to achieve the Grace of being by My side. And it does not matter to the Heart of God who will arrive first at His Kingdom, nor does it matter to Him the number of merits generated to reach Paradise.

My Heart descends to Earth bringing the boat of salvation for souls and for all Kingdoms, and this boat will only return to the Kingdom of God when the last of My children has entered it.

Today My Heart invites you to awaken to love and fraternity; it invites you to see the hearts of the world through My eyes and, when you see any creature before yourselves, aspire with the heart that it may find Me, that it may walk towards the Heart of God, through the Heart of Christ.

If each time that you see a brother or a sister you silently send them an impulse of love and hope, so that they may one day find the Kingdom of Heaven, the impulse will reach these hearts and will open the door for the Love of God to enter these souls. In this way, you will be intercessors of souls before God, working for all of His children.

If you never forget that all creatures, absolutely all of them, must reach the Kingdom of Heaven, little by little competition will be erased from your hearts and celestial fraternity will be drawn with a pencil of light.

Place your hearts in this simple lesson of peace and allow love to accompany your thoughts and let the heart be the guide of your lives.

Always pray for one another.

I thank you for praying with Me and for receiving Me today.

Mary, Mother and Queen of Peace
