DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Let the healing and redeeming current of Aurora enter into the depths of your being, so that unknown after-effects of the consciousness may be erased by the stream of the Aurora of love and of forgiveness.

When you open your heart to this mystery, it must first enter within you, so that it can then be revealed, and this knowledge may become a part of you.

Thus, when you are in Aurora, Aurora is within you, and there is nothing or anybody that can break this inner communion with the Essence of Healing for souls.

Always be grateful for being in Aurora, because it can make of you a new being, filled with the principles of redemption and of forgiveness.

Let the unknown Aurora always be in you, even if you believe it is not possible. It is active when the human heart and soul simply open to receive this powerful divine energy.

Receive, then, this balm of the Aurora of Love, and may all the spiritual unredeemed after-effects dissipate in order that the Principle which is Aurora be able to cause the principle of your conception to be reborn.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
