DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF BUENOS AIRES, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Everything that I do at this time, in any place, among you or in some way, must be considered as a miracle of Mine, because in such an acute moment as this one, in which your Lord comes to the world to find it this way, only the action and power of a great and unknown love will allow that something, however small it may seem, can be solved.

Thus, I surrender to the world again, but this time I will not be nailed to a Cross, but I will be within you when you allow me so, for you to give testimony of Me, under any situation or reason.

The time to give testimony of Me has come, and at this moment I will be able to verify where My treasures remained.

This is also the time for you to live experiences that you never wished to live, because I need these experiences in order to justify and compensate for the errors of the entire humanity.

This is the time to give your life for Me, and it is the time to know that I will be by your side to support you, just as My Mother was until the last moment of My expiration on the Cross.

I know that for many of Mine this moment will mean effort and determination. I will give you all I have so that you can undergo it for Me and make My redeeming Project triumph.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
