DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

When the Voice of the Creator is pronounced in the world through His Messengers, in its teachings, it brings sublime Truths that are hidden in Existence, in the sense of life, in the roots of Creation.

The Father speaks to you about these things in this time, because it is time to uplift your consciousness, as beings and as humanity, so that supported by the Truth, you may go through the last tests and moments in which you are immersed in the illusion of the Earth.

Rise up, not to be indifferent in the face of the atrocities of the world, but rather so that you can help the planet from another point of your consciousnesses, from where the aid you bring to the world comes from God and not from your poor and human heart.

In order for the experience of love on earth to be real, it must be experienced within the Divine Consciousness. Your hearts, children, must be in God and there be renewed in Love, because it is the Love of the Father in you that is renewed, and not just the human love.

Wisdom and Divine Knowledge, which the Creator causes to descend to the world at this time, are for your consciousnesses to expand, that you may understand the range of the Love of God, which is not shut up in the hearts of humankind, but moves and manifests in all life, even beyond this world, in all of Creation.

Let your consciousnesses expand, entering into the Divine Science, so that you may thus see life and all that exists as expressions of the Love of God. In this way, children, you will be able look at yourself and at your siblings and feel the Grace of God.

And when your eyes shed tears, it will be to share the pain of the Father for souls, it will be to, with them, wash the wounded Heart of God, and cleansing the Heart of God with the water that comes from your souls and expresses in your eyes, you will be generating merits for the salvation and redemption of those who are lost, of those who cause and suffer injustice, of those who are blind and blind their siblings.

Thus, find a new way of helping the world, and even in the solitude of your hearts, have everything in your life be for Love of Creation, of Life, of God.

Your Father and Friend,

The Most Chaste Saint Joseph
