SPECIAL DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CENACLE OF PRAYER OF THE SACRED FAMILY, CARMO DA CACHOEIRA, MG, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

Today, as the Queen of Peace of Medjugorje, I come to establish the Kingdom of Forgiveness in the hearts that still have not reconciled themselves with God, for so many causes and endless sufferings.

It is for this sacred reason, that your Heavenly Mother reunites you today in one of the main cenacles of prayer of this city, after the Parrish. I wish the first ecumenical cenacle for peace, which will be called the **Cenacle of the Sacred Family**, to be founded here.

You, My children, are ready in heart to assume this task of prayer for the humanity and the world. Today your Lady of Peace stops here to observe the needs of spiritual healing and restoration.

For this I tell you, My children of Carmo da Cachoeira, that to reach the deep healing of the body and the soul, you still must pray much so that My Grace may be granted to your lives.

Today I establish here in this house the **Cenacle of Prayer of the Sacred Family** so that from today on, your spirits may feed themselves from the manna, which wants to be given to your hearts. This will be possible when your prayer from the heart be intensified and in a short time you become bearers of Grace and Peace and thus the whole city will be worthy of the Mercy of God.

For this I invite you today, My dear children, to take the first steps towards the deep life of prayer. I want to tell you that from the top of the hill I listen to all of your daily prayers and supplications, but if you truly form this cenacle, I tell you that you will let My heart rejoice, and mainly, many things that are happening today in this city will stop happening.

For this go to the Parrish because My Beloved Son waits for you, present in the Eucharist as also in the Tabernacle. Decide, My beloved ones, what path you will choose?

I come to guide you and warn you, because I am your Mother from Heaven. I am the Holy Woman of God that unites peoples and beliefs through the Love of God. I wish to come back here three times more, because I aspire that My blessings reach your beloved families.

With the heart ignited in love and faith, live in Christ, look for Him! He is thirsty for your love, in this way your conversion will be possible.

I thank you for answering to My call!

Who unites you to the Heart of the Redeemer,

Your Mother Mary, Rose of Peace
