DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE REGION OF PÊRA, ALGARVE, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Confederate brothers and sisters,

Your Master and Lord of Mercy once again touches Portuguese lands with His feet of humility so that your hearts may prepare for the different phases of liberation that the Lord of the Universe will carry out within the European Community.

This is the reason for which your Mother and Mine, have chosen this nation to begin because from here you will be able to receive the necessary impulses so that the whole mission may be developed as foreseen.

Thus, all that you may offer God, no matter how small it may seem, will help and will contribute a great deal so that not only the nations that we visit but also all of Europe may receive the spiritual help that has been assumed by the Highest since the beginning.

Now, your Master and Lord, in a place so similar to the Garden of Gethsemani, prepares to immediately begin with the mission entrusted by the Divine Father.

And so, I have chosen to withdraw, in these days, into the valleys of the region of Algarve, so that, among the olive orchards, I may reflect upon the next steps of the rescue operation for Europe.

As of now, I am grateful for your company and union with Me on this sacred mission.

I thank you for keeping My Words in your heart!

Who blesses you with His eternal Light,

Your Master, Christ Jesus
