DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I would like to see My Apostles of the last time united to Me in the essence of the Purpose and not in their preferences.

I would like to see the fruits of the treasures that I gave you in these last times, treasures that are at the service of humanity.

I would like to see the results of all the impulses that the Hierarchy built with effort and with love within souls.

I would like to see the maturity of My friends, in the sense of being able to place yourselves above your beings so that unity and brotherhood reign.

I would like to see the fidelity and generosity of those who committed themselves to be companions of My companions, brothers of My brothers, within this path of love and forgiveness.

I would like to know if My closest friends are able to trust, fully, in the instruments that I have chosen to carry out the preparatory work of the return of your Lord.

I wish I could see the Divine Thought manifested on Earth and the path of salvation for all those who are lost.

I would like to see my friends recognize Me, beyond appearances, when I return to the world.

I wish I could trust everyone.

I thank you for keeping My Words in your heart!

Who Blesses you,

Your Master, Christ Jesus
