Daily Message of Mary, Rose of Peace, transmitted in the city of Porto Alegre, Rio Grande do Sul, Brazil, to the visionary Friar Elías del Sagrado Corazón

While the events of life and of the whole planet are rapidly developing in humanity, I invite you to seek the path of serenity, to then find peace.

The root of human history and of all terrestrial conditions is being removed; that which for centuries was controlled by power, by pride, or even by resistance, is being taken out of the hands of those who believe they have governorship over things. Thus, dear children, do not be surprised by what you may see and what you may know; the prophecy of My Son is being fulfilled: "Stone will not remain upon stone," and that is already a reality in the whole planet and mainly in the inner being of everybody.

An apparent lack of guidance will be generated; thus, for a long time I have been calling on you to live true prayer. It will be the attributes of the Universal Mother, in this definitive cycle, that will replace the shortcomings that souls will experience at the moment of losing control over things. For this reason, dear children, embrace the opportunity of being purified quickly so that, prepared by prayer, you wait for the glorious Coming of Christ.

I declare, children, that there will be no consciousness or space that will be free of purification. Faith and constancy will be the motto of the peace-bringers of My Son; this will make you stronger in love and in truth.

See what is emerging from yourselves and do not look at it with contempt, but rather with Mercy, because it will be the Mercy of God that will save you in this hour of planetary transition.

Live Mercy and practice it; it will be fundamental so that your hearts can follow the purification of your fellow beings.

I leave you My Peace because it is what you need today; do not lose it for any reason. Peace sustains everything, inside and outside of beings.

I thank you for responding to My call!

In the Mercy of the Father, you are contemplated by

Your Mother Mary, Rose of Peace
