DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN???

The Silence of Mary

During the Passion of My Son, silence was the key that opened the door to Grace.

Silence made Your Mother invisible because God and all His manifestations are present in the silence. Your Mother not only had a sorrowful Heart, but She also lived as a silent Heart; this allowed the deep doors to be closed to evil.

The enemy does not know what silence is because he lives through conflict and disorder. Silence penetrates the consciousness as a spirit of serenity and harmony. It is this inner and mysterious silence that carried forward all the Redemptive Work of My Son during His Passion. Silence bore all martyrdoms because His Divine Consciousness was united with God and His Great Purpose.

Evil is overcome through silence and becomes disoriented because it cannot find any doorway into conflict. This silence was what prepared Jesus during the forty days before He began His public life. Silence designs in the spirit a state capable of transcending the most resistant conflicts in the consciousness. To reach this state of silence, neither arrogant nor introspective, means a task of detaching from forms and ways that can interfere with the awakening of each soul.

Silence is more than remaining quiet or not speaking words; the true silence of the universe is achieved through inner connection with prayer, which is the first step to gradually dissolving the human roots that generate disorder in material life.

At this moment, the planet is very far from true silence. This is why Your Mother teaches you that silence is an act of prayer capable of traversing to levels of consciousness where peace reigns. Silence is also healing; it is a powerful spring that in these times will help to safeguard the spiritual path of the consciousnesses that accept penetrating that state of union with the Creator.

Silence brings light, brings wisdom, brings serenity, and renews the spirit so that it may have the impulse to continue in Divine work. The complete silence of a part of humanity could reverse all the causes that take advantage of noise and disorder to generate world conflict.

Silence is like a remedy against verbiage that causes debts and constant faults. Silence liberates without a struggle.

Thank you for responding to My call!

Who carries you into inner silence,

Your Mother Mary, Rose of Peace
