Daily Message of Mary, Rose of Peace, transmitted in the city of Fatima, Santarém, Portugal, to the visionary Friar Elías del Sagrado Corazón

Each time you pray from the heart, a thorn of pain is removed from the Heart of God and a flower of light opens in His Kingdom.

Therefore, continue praying the Rosary every day so that peace and the end of wars may be established.

Continue praying with the purity of your hearts, so that the situations of the planet may reverse, and thus more souls may achieve the Mercy of God.

Continue praying with the purity of your hearts, so that the situations of the planet may reverse, and thus more souls achieve the Mercy of God.

Each prayer that is pronounced with love, opens doors so that souls may submerge in the ocean of forgiveness and thus receive reconciliation with the Universe.

On this afternoon, the prayer of the heart reached vast celestial spheres, and help came to assist the most simple.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
