DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE COMMUNE OF CASTEL VOLTURNO, CAMPANIA, ITALY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Until now, nobody has knelt in this place and for this land to implore the Mercy of My Heart.

For this reason, and for many others, your Master and Lord continues working in Italian land to unmask everything that will not be in the next humanity.

The transparent hearts will be those who will reach the Kingdom of the Heavens. Through them, I will make all things new, and give My Graces to all those who knew how to recognize and value them.

There is still time for Italy to experience the Mercy of God, but first there must exist sincere and true repentance, so that the Law of My Love can set apart the Law of Justice from the path of the lost.

Naples is a land full of bad stories. This is why only the Light of My Mercy will be able to cleanse and purify that which souls allow Me.

I open the door of My Heart so that everything may be liberated.

I call all of you to the total repentance of all your actions.

I call Italy to reconsider and repair what was violated and outraged. Thus, the nation will deserve something grand that will save it and that will come from Heaven.

I thank you for keeping My Words in the heart!

Who blesses you,

Your Master and Lord, Christ Jesus
