DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Poems to the Immaculate Heart of Mary

Twenty-sixth Poem

Lady of the Stars,
Mother of the Higher Universe,
lead us to understand, through the heart,
the mysteries of our existence
so that, in the awakening of our consciousnesses,
we may truly collaborate
in the redemption of our origins.

May we constantly seek holy humility
so that our personalities may humble themselves.

May we aspire to live resignation
so that we may transcend our pride.

Empress of the Celestial Universe,
make us small
so that we may be deserving
of Your beloved Son's revelations.

May we forever lose
interest in manipulation and human control.

May our consciousnesses be placed
at the Feet of the Celestial Father
so that we may lovingly learn
to ask for forgiveness for all errors committed.

With empty and resigned hearts, Lady of Light,
we will learn to allow Christ to enter within us
so that His Spirit may renew all things.

Let us come to know, Queen of the Universe,
the gifts that You constantly lived
in order to be in contact with God.

Banish from our minds

all beliefs in power and sovereignty,
because we will always be
like small grains in the universe.

Amen.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
