### **DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dear children,

Commemorating the anniversary of My Apparitions in Brazil this month, today I invite you to prepare your hearts for My annual visit to the Hill of the Apparitions(\*), a visit that will be different from the previous ones. In this final cycle, My dear children, you must say "yes" to the Creator so that His Works of Peace may continue acting through His Faithful Server, the Queen of Peace.

My children, for this special reason this month I call you to renew your groups of prayer through the growth of your faith in the heart and through the weekly exercise of prayer.

I want each group to meditate on what it can give to My Immaculate Heart. I invite you to think about what has happened in each group throughout this last year in which My Heart has visited you monthly.

As the Mother of the Lord I call you to strengthen yourselves as a group of prayer through a sincere vow of praying for peace and of summoning of more souls to pray with you.

My dear children, you must renew yourselves through the Holy Spirit. This is why, at each new meeting of prayer among souls, I invite you to feel and to ask for the Presence of this inexhaustible Spirit of Love and Wisdom.

My little ones, when I speak to you of renovation in the groups of prayer, I speak of each one of the praying beings to be converted into a living flame of the Holy Spirit.

My children, may your helpful groups of prayer imitate the Cenacle of Mary of Nazareth with the apostles. In this way the heart of your group will be My Immaculate Heart.

Open the doors to your dwellings for the coming of new praying souls.

Dear children, with humility I tell you that you were able to see the great Ray of Light that My Immaculate Heart and the Sacred Heart of Christ poured over Rio de Janeiro, manifested in a great rainbow; this was the sign of Mercy in response to all My children who pray, who pray to God.

I thank you for responding to My call!
