DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The Cathedral of Peace - Part II

And elevate all of humanity with your prayer. By means of your prayer, lead specially all refugees to the Greater Altar of the Cathedral of Peace.

Pave the way so that those most in need of spiritual and inner help may receive the maternal embrace of the Mother of God, and the divine consolation of the Immaculate Heart.

Elevate the souls of the world to the Cathedral of Peace, so that they may awaken to their true purpose and may thus enter in communion with the Father, the Son and the Holy Spirit.

Inside the Cathedral of Peace, the neediest souls are sacramented by the imperious action of the Holy Spirit, they receive the spiritual baptism, the inner confirmation and the communion with the Immolated Lamb, the Redeemer.

In the Cathedral of Peace the souls find, by means of the spiritual Sacraments, the Gifts of God and they can see within themselves the virtues that Heaven needs to awaken in each being, so that the creatures may learn to live the Divine Will.

For this reason, those who participate in the Sacred Cathedral of Peace are inspired and motivated by the guardian angels to live their inner mission and, at the same time, to be participants in the spiritual communion that is manifested in its Greater Altar.

The Cathedral of Peace infuses in souls the spiritual power of the divine Sacraments, so that each being can find its Gift and thus offer themselves for the unconditional service for humanity and for the planet.

The Cathedral of Peace helps us recognize our inner universe, that is, the truth that we are inside the divine existence and inside the spiritual Source whence we come, inside the vast universality of the Creation.

For this reason, the Mother of the World is the intercessor of the souls inside the Cathedral of Peace, so that more hearts may know the power of Grace, of Mercy and of Forgiveness, and thus everything may be reversed and once again conducted to the path of the Greater Purpose.

Human consciousness can keep in its heart the sublime Cathedral of Peace, so that it may always remember its filiation with the High, and may specially live the Attributes of God, which will make of this planet a redeemed humanity, forgiven by the most potent flow of the Love of God.

May every being on the surface of the planet feel motivated to enter the Cathedral of Peace, so that, together with the Heavenly Mother, they may be led to the union with the Celestial Father, granting to the souls the experience of the Kingdom of God.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace and Lady of the Cathedral of Peace
