SPECIAL MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE FORTÍN OF SANTA ROSA, CANELONES, URUGUAY, TO THE VISIONARY SISTER LUCÍA

From the true Purity of the heart is born the profound link with God. In Purity of intention we attract His Holy Spirit and in Purity of actions we become carriers of this Spirit and true workers of God on Earth, the so-called Missionaries of Christ.

On the last day of this novena, you will pray to consolidate in heart, in intention and in spirit, the pure union with God.

This novena was delivered to those who aspire to transform the deep aspects of the consciousness and through the intercession of My Most Holy Heart, to find a path of simplicity and of union with the Spirit of God.

By means of this novena not only will you be able to achieve the intercession of My Heart for your spirits and consciousnesses, but also and above all, you will learn to be intercessors before God for all of humanity, so that each being finds the union with God, and by means of this union they can return to the arms of the Creator.

Feeling in your hearts the moment to offer this novena and deepen the contact with God, you will pray the prayer each day for 72 times. At the end of the nine days you will realize a sincere offer to the Lord of each prayer pronounced, so that through the intercession of My Heart, together with yours, humanity can achieve a New Time, and can live its true archetype of similarity with God and with His Messengers.

To finalize the novena, you will pray, with the depths of your heart:

Lord God, who created all,
consolidate in our hearts
the union with Your Sacred Spirit.
Consecrate our souls to Your Purpose of Love.
Fill our spirits and our hearts
with the undying Light of Your Kingdom.
And through this prayer, Lord,
Permit that our hearts be definitively united to You.
Amen.

Under the Love of God and the intercession of the Most Chaste Heart, go on in Peace.
I bless you always and thank you for praying with Me from the Heart.

The Most Chaste Saint Joseph.
