DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY SISTER LUCÍA DE JESÚS??

Enter into the plenitude of God existing in your heart and never lose hope in achieving His Purpose.

When I was on Earth, as Joseph of Nazareth, the chaos of My time and the ignorance of those who were around Me led Me to seek the Divine Spirit even more assiduously. I understood, in My quest, that I should be the engine for the elevation and transformation of all those who were around Me.

It was the faith that inhabited in My interior, by itself, that would touch the hearts of people and would make them ask themselves internally what was the mystery which that Family was living and if it was not God Himself that was in person among Them.

Know that God Himself is among you and you must announce this grace in the silence of your transformation and in the experience of the sacred attributes that the Lord has infused in your consciousnesses.

May all the souls that come close to your beings be impelled to seek the Divine and, even if they do not know well the focus of their quest, may they feel that it conducts them to the Heights, to the Universe, to the Boundless.

You live today, as a group, one of the greatest graces ever delivered to the humanity.

The spirit of love must be made flesh in each one of those who follow the Divine Messengers and, in this way, this love will expand to all humanity.

Each step that you take, in your days, you must offer to God, aware that many essences depend on this awakening and on this evolutionary path that you are traversing.

Drink from the Source of the Divine Words of Christ and fill your beings in the certainty that He is the one who pronounces them. Let yourselves be molded and matured by the spiritual impulses of Mary and consecrate, little by little, all the consciousness to the Divine. Dive into the simplicity of My Words and make of them a manual for life on Earth.

Be simpler of heart and never tire of seeking the spirit of simplicity. It is only in this way that you will cross the Celestials Portals with the humility of a child.

Do not lose faith and trust the unpredictability of the human heart. Search for the potential that you do not know about yourselves and, in prayer and reflection, unveil the mysteries of your own inner world.

I leave you My Peace.

Saint Joseph, your Father and Guardian for these times
