DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY SISTER LUCÍA DE JESÚS???

Unlink from the material life your aspirations and goals. Every trial that you live in the matter comes to place your consciousness in the higher life, in the life of the spirit.

Child, many search for the concretization of a mission that starts and ends in the personal realizations of the world, but they ignore or forget that the real mission of a spirit does not begin nor end on Earth.

The experience of the material life is a mean to live a learning, but the reason for having to live it and its result are not in this life.

Child, look at all things in this world as a vehicle of a greater experience. Live each day as a mean to reach higher understandings. That each personal, familiar link, your professional experiences, your experiences of studies, of group life, of consecration, all of these be a vehicle of a greater learning, be a vehicle of ascension of the spirit to a higher goal. And do not confuse the spiritual goal with the experiences of the Earth because if you do so you will get stuck in the matter, and neither you will live a true learning nor you will reach the goal. The experience on Earth will not be valid to you and you will lose a unique opportunity in the whole Universe.

May each instance of your life, child, lead you to search for God; may each learning conduct you to Him.

May your task, your day by day, your relations with other human beings, be an instrument to lead these souls to something higher. May your awakening be an example for many. May your effort be an impulse for those who got stuck in their evolution.

Do not stop your steps, child. Do not make your soul a prisoner of the worldly illusion, when the doors to freedom and to the Infinite open themselves in front of you every day. Cross with your heart this portal and always remember that you are here as a mean to live a greater learning.

Your Father and Companion, the One who teaches you to understand life in this world.

The Most Chaste Saint Joseph
