DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY SISTER LUCÍA DE JESÚS?????

Seek peace inside of you and try to be in a prayerful state permanently. Find within your heart the harmony and the neutrality that allows you to establish a contact with God, regardless of what happens around you.

Child, the moments in which you can be in harmony, in silence, without judgments or criticism, only as an observer of yourself, are of great value in these times because they prepare your inner world, and strengthen you for times of much imbalance within and outside beings.

Today that you have the Grace of the presence of the Kingdom of Fatima in your life, let the purity and the peace of this Kingdom awaken in you the sublime neutrality, the harmony and the trust in God, that come from the inner certainty of the compliance of His Plans.

Let the Kingdom of Fatima speak to your heart and reveal to you the purest you have inside of you, so that it will serve as a contribution for the transformation of the Earth.

Let the Kingdom of Lis, which is simplicity and joy, flood you and bring to your small life the strength that you need to always proceed.

Child, in the simplicity of My words today I only tell you that, more than remembering the passage of Mary in Fatima, open yourself to find out what Fatima expresses today, to find out the greatness of what this Kingdom of peace and humility has become. Not only nourish your heart with the memories of the past, but find alive, in front of you, the Kingdom of Fatima, the sacred house of Your Celestial Mother in this world in redemption.

Open yourself to this mystery and not only you will enter in Fatima, but Lis-Fatima will enter inside of you and awaken the original purity in your interior.

Your Father and Friend,

The Most Chaste Saint Joseph
