**SPECIAL MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS**

Lord, may Your children find in this time the way to overcome themselves; may they see the abyss of their miseries and, nevertheless, contemplate on the horizon the hope of Your triumph in their hearts.

Wise Father and Creator, show Your creatures that this is the last time of redemption; time when the wounds from all centuries shall emerge in order to be healed; time when all debts shall come to light in order to be balanced.

Show Thyself, God of the Infinity and of Mercy, as the Lord Who pays the debts of His children, of those who cannot find within themselves the way to balance them. Be the Kind Father Who contemplates the efforts of His children and helps them to walk, fearlessly, towards the final goal.

Creator and My Lord, may Your Mercy make Your children understand that beyond the abyss lies the horizon of hope. May Your Mercy be revealed to those who offer and surrender themselves before You, for they do not find in their own strength the impulse to cross such a wide abyss.

With Your Divine Essence, God of Love, strengthen the hearts of Your children and make them understand that Grace exists, that Mercy is an inexhaustible Source and that their hearts are a mystery, made only of hidden miseries that never end being revealed; but in reality, they hold, behind all misery, the Truth, the potential of love and unity with You.

Reveal Yourself, Beloved Father, within Your children, for the moment has come to make Your Plan for Creation triumph. Reveal Yourself as the Omnipotent God and allow Your creatures to come to know Your unfathomable love.

Lord and Creator of all things, as Your servant and intercessor of souls, I beseech You: help Your children to find the Truth, for the time to return has come.

For the sake of the merits achieved in the redemption of this Spirit that serves You, I eternally pray for You.

The Most Chaste Saint Joseph
