**DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS**

Within the infinite universe of the Truth of God are kept all true religions, philosophies and sciences.

Religions, philosophies and sciences are forms that humankind has found for expressing, in the different ages and under different influences, the impulses that the Creator sent to them to build a communication with God and thus, a path of return to the Heart of the Father.

After humanity got lost from the Divine Purpose, spiritual life began to be given impulse as a way of reconnecting human beings with the Father, creatures with the Creator. But God, children, is only one and His Truth is also one.

In order to understand religions and find a point in which they come together, it is not in their teachings that you must seek. The essence of religions is found in the depths of the human consciousness and its purity is revealed in the manifestation of its consequences in the life of beings.

When a religion is true, it leads the consciousness into experiencing the Love that comes from God and which calls you to love every kind of life, without distinction. Love is the meeting point that must exist among the different expressions of the paths that lead to God.

When there is love, there is understanding. When there is understanding, there is respect. When there is respect, there is fraternity. When there is fraternity, there is love. And where love is, there is God. Everything begins and ends in the same principle.

I tell you this because this is the time to manifest respect, fraternity, understanding, and above all, love. Thus, you will know how to find the Father in diversity, differences and you will close the doors to the evil that divides and separates human beings, not only amongst themselves, but also from God.

Pray for unity and pray for Love, because this is the only thing necessary in this time, and in all times.

Your Father and Friend,

The Most Chaste Saint Joseph
