WEEKLY MESSAGE OF SAINT JOSEPH TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL TO THE VISIONARY SISTER LUCÍA DE JESÚS

In prayer, find peace, but also the Purpose of the Creator for your little life.

In prayer, find light, but also create the bridge that unites the human consciousness with the Heart of God.

In prayer, find the answers you are searching for, but also intercede for souls incapable of listening to God.

In prayer, recognize your path, your vocation and the gift that God has placed in your heart, but also cry out that the nations, peoples and religions find again their meaning for existence, the archetypes of their manifestation, the beginning of their existence, where the first Will of God for life dwells.

In prayer, seek to understand the Word and allow it to touch you and transform you, but also, child, allow a new truth to be revealed to you. Allow the Creator to show you what is beyond your small understanding and open your heart, your mind and your spirit so that God may manifest the grandeur of His Spiritual Science to the eyes of your soul, the perfection of the manifestation of His Love between the dimensions.

In prayer, find the fortitude to serve and go beyond your limitations, but also ask the Father for the understanding in order to stand before the processes of your brothers and sisters, so that your service does not only speak about yourself, but rather about the actions of God in human and spiritual relationships.

Let your life of prayer be ample, profound and unlimited.

Let your prayers not have boundaries nor even be held to a single purpose.

Pray, allowing the dialogue with God to carry you beyond what you can perceive, and let the Creator, child, act in all life through your prayers. In this way, you will discover His Mysteries and you will participate in His Sacred Divine Plan.

You have My blessing for this.

Your father and friend,

The Most Chaste Saint Joseph
