WEEKLY MESSAGE OF SAINT JOSEPH, TRANSMITTED DURING THE JOURNEY FROM BELO HORIZONTE, MINAS GERAIS, BRAZIL TO LISBOA, PORTUGAL TO THE VISIONARY SISTER LUCÍA DE JESÚS

Contemplate the Reliquary of My Heart in the depths of the divine dimensions and find there the door for your own redemption.

Contemplate the Reliquary of My Heart and find in it an example of surpassing and humility, a path for you to follow and find Christ; find God.

Contemplate the Reliquary of My Heart and find in it an example of service and charity, the Christic charity that, more than to acts of compassion, leads you to the awakening of Love, that makes you a faithful imitator of Christ.

Contemplate the Spiritual Reliquary of My Heart and find, in the reliquaries of wood that I have consecrated and will consecrate in the world, a bridge for the Heart of the Father, an inspiration for your small life, a fortress that is kept within you and that you have not yet been able to find.

Contemplate the Reliquary of My Heart and know, child, that in the humility of this Heart, before your eyes, divine and spiritual Gifts are to be found. Gifts that come from God and that call you to the awakening. Gifts that invite you to express the likeness with the Father in the eternal transcendence of your human condition so that one day, finally, you may return to your Celestial Origin.

Receive the Grace of contemplating the Reliquary of My Heart, not for Me, but for all that God has given Me and that today I offer to humanity as a symbol of My perpetual service to His Heart of Love.

Your Father and Companion,

The Most Chaste Saint Joseph
